

# PASSPORT KIT

# **PASSPORT STAMP STICKERS**

# Track all of your trail excursions with our fun stamps!

Once you visit a specific trail cut out its corresponding sticker along the gray dotted line and glue it to the trail's white box section. It will cover over all QR codes. *Try and visit all 20 trails!* 

# **DELAWARE TWP. TRAILS MAP**

# Overview Map for Public Access Open Spaces.

Print map for reference, use the QR code or visit:

www.delawaretwpnj.org/media/attachments/2024/04/30/map-of-public-access-open-spaces.pdf

**Please note:** Parking locations may be approximated and entrances to some spaces may be difficult to identify. Use mileage and coordinates to help locate parking. Visit the Open Space site with the QR code below, where you will find more details and links to photos of parking and entrances.

# PASSPORT ASSEMBLY

# Print out all 4 individual sheets to make your passport!

The Passport is made up with 4 individual pages that fold up into quarters, insert into each other, and then stapled together to form a the passport book.

**0 FOLD** 8.5 X 11 printed page

1 FOLD (vertical in half printed side on the outside) FOLDED SIZE: 8.5 X 5.5

2 FOLDS (in half again) FOLDED SIZE: 4.25 X 5.5

Inset the 4 (2-folded) pages together to form the Passport book.

Make sure page numbers are in the correct order.

Staple all the pages together along the outside cover spine in 3 places to create your passport.

## About Open Space in Delaware Township

Delaware Township, NJ, has preserved thousands of acres of open space and farmland over the past 40 years and among those thousands of acres are the 20 publicly accessible destinations in this Passport. Parks, recreation areas, hiking trails through wooded and streamlined preserves, farmland perimeters and historic properties throughout the township are open for your exploration.

The preservation of open space, farmland, historic structures and the rural beauty of our township has not happened by chance. It has happened through a concerted commitment of the community, tax payers and township government, as well as private and public preservation organizations at the county and state level.

**The Open Space Advisory Committee** promotes, coordinates and educates our community on the wise use of Open Space Tax dollars as we continue to help preserve open space and farmlands.

We hope you find this Passport a valuable guide to the exploration of the natural beauty of your own backyard.

# Learn more about Public Access Open Spaces at www.delawaretwpnj.org

Please note: parking locations may be approximated and entrances to some spaces may be difficult to identify. Use mileage and coordinates to help locate parking. Visit the Open Space site with the QR code, where you will find more details and links to photos of the spaces.

# A Note on Hunting Seasons

Hunting is permitted on a number of the publicly accessible open spaces in this Passport. Hunting seasons run from early September through March. On state owned land, hunting is not permitted on Sundays.

During hunting season, wear brightly colored clothing and hats, stay on trails and consider scheduling your visits to hunting-permitted sites on Sundays. Always practice caution on any trails during hunting season.

# Leave Only Footsteps; Take Only Pictures

The **Open Space Passport** fosters appreciation for the township's cultural, ecological, and historic landmarks while promoting the principles of stewardship through the Leave No Trace ethic.
